Therefore, it was with great pleasure that Ho Ngai College was able to return the favour and host a RMUTK student and staff group from Monday 18<sup>th</sup> until Wednesday 20<sup>th</sup> February 2008 for cultural and English language exchange activities.

On the first night, our alumni from the first summer vacation trip to Thailand hosted a dinner to welcome our Thai visitors in Temple Street, Yau Ma Tei. The second day provided opportunities for 4D students to mingle with the Thais on the cable car to the Ngong Ping Village where all enjoyed wonderful views of the Big Buddha statue. That evening 7A students who had been on the second summer vacation exchange to Thailand hosted a dinner in the Tuen Mun Town Centre for our Thai guests. On the third and final day 6A and the Thai delegation did cultural exchange presentations before departing on a tour which took in Wong Tai Sing Temple, Chi Lin Nunnery, Victoria Harbour, and the Wanchai Convention Centre. Finally, that evening a group of HNC alumni went to the airport to offer a surprise farewell to the visiting group.
